Environmental Impact Report/Environmental Impact Statement for
Mitsubishi Cement Corporation South Quarry Project
San Bernardino National Forest, California

NOTICE OF PREPARATION/NOTICE OF INTENT AND PUBLIC SCOPING MEETING ANNOUNCEMENT

The County of San Bernardino will be the California Environmental Quality Act (CEQA) and the U.S. Department of Agriculture, Forest Service will be the National Environmental Policy Act (NEPA) Lead Agency for the preparation of a joint Environmental Impact Report/Environmental Impact Statement (EIR/EIS) for permitting a Plan of Operations and Reclamation Plan for the South Quarry. The South Quarry will total approximately 153.6 acres consisting of a 128-acre quarry, a 2.7 acre landscape berm, a 22.2-acre haul road 1.8 miles in length, and a temporary construction road of 0.7 acres. Rock from the South Quarry will be blended with rock from Mitsubishi's existing East and West Pits to feed the company's existing cement plant. Mitsubishi proposes to mine the South Quarry for approximately 120 years. No modification to the existing Cushenbury Cement Plant is proposed as part of this Project. Concurrent reclamation will be conducted throughout the life of the quarry and, at the conclusion of excavations, 5 years of active reclamation and revegetation will be implemented followed by revegetation monitoring and remediation until revegetation goals are achieved.

The County and Forest Service request comments on the scope and content of the EIR/EIS by April 6, 2012. Please send your response

to the attention of: Anne Surdzial, ECORP Consulting, Inc., 216 N. 5th Street, Redlands, CA 92374.

The County and USFS will host two scoping meetings to provide the opportunity for the public to learn about the Project and to identify issues to be addressed during the EIR/EIS process.

Public Scoping meetings will be held on

Tuesday, March 13, 2012
Lucerne Valley Community Center
33187 Old Woman Springs Road
Lucerne Valley, CA

Tuesday, March 20, 2012
Big Bear Discovery Center
40971 North Shore Drive (Highway 38)
Fawnskin, CA

Representatives from the County, Forest Service, and Mitsubishi Cement Corporation will be available at both meetings from 7 pm to 9 pm.

Additional information on the project is available at http://data.ecosystem-management.org/nepaweb/nepa_project_exp.php?project=36611
